Brighton & Hove Independent Mediation Service:Jen Warren:Manager:mediation@bhims.org.uk:01237 700 812:Basement Office Ecclesden Grove Hill Brighton :BN2 9NG:www.bhims.org.uk:We provide mediation and conciliation between individuals, community organisations and

groups involved in dispute or interpersonal conflict. Mediation is a proven method of conflict resolution that has long-term benefits. Used as an early intervention it is a significant preventative measure that effectively deals with low-level dispute and anti-social behaviour, thereby significantly reducing the need for formal interventions by statutory agencies. Problems mediated include noise, anti-social or abusive behaviour, younger peoples' behaviour, boundary and property disputes and animals.

Harmony in the Community:danny horwood:creative

producer:danny@harmonycommunity.org:01273 766626:39 - 41 surrey st brighton:bn1 3pb:harmonycommunity.org:We are. A Brighton-based not-for-profit community organisation that creates, supports and manages diverse multi-cultural events that appeal to people of all races, ages and social backgrounds. Dedicated to raising the profile and awareness of traditions and cultures through creative expression to help create an open and fair society that respects all cultures. Objectives are as follows: 1. To create, manage and produce unique arts projects for a diverse audience in the city 2. To promote awareness and understanding of cultural diversity through these projects providing a platform for local, national and international dance, music and theatre groups to perform 3. To develop the capacity of individuals from a diverse range of cultural backgrounds through providing experience of working in the arts and cultural industries through our volunteer and training programmes. 4. To raise the profile of multi-cultural artists of music and other performances locally, nationally & internationally. 5. To work with a range of arts, cultural and other organisations in an advisory, consultancy and direct production role to help and support them to produce their own events. Our work. Provides affordable consultancy and production services for community groups, government, associations, charities, and businesses- Nationally & Internationally - work includes large scale outdoor festivals & events, international conferences and simultaneous multi venue projects. Enables people to learn about event production through our educational workshops and training - including our ground breaking Event Production Foundation Courses (First in the UK)-, and to gain vocational experience at our events. Helps talented unsigned artists to raise their profile and generate performance bookings through our Re:Present Artist Development Programme without exploiting them.
